

Annual Fixture Extravaganza Carling Room, Twickenham

27th January 2012, 5.30pm - 9.30pm

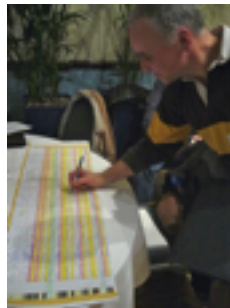

GRASS ROOTS RUGBY

This is 'grass roots' rugby.

It happens each year, and has got bigger and better each time.

As a direct result of this event, and the work of Fixex, over 10,000 youngsters each year are supported and encouraged to play rugby.

We know there are many more out there. We want to help each of them.

1 Meet up with other clubs from all over the south of England and make fixtures for the coming season. This is a chance to find new clubs to play against, renew old friendships and enjoy an evening in Twickenham's Invincible's Bar.

2 This event is essential for all clubs, regardless of level. It is open to anyone from the youth section and particularly useful for fixture secretaries and others involved in securing fixtures for teams of any youth age group.

3 Any club can attend, although clubs who are not members of The Fixture Exchange will be requested to join up. Fixex is an online 'exchange' where teams can find opponents when their regular fixture has fallen through. Membership is just £15 per year and will include every age group in the club. All proceeds from Fixex are donated to rugby charities and worthy causes, with the donation taking place at the annual extravaganza.

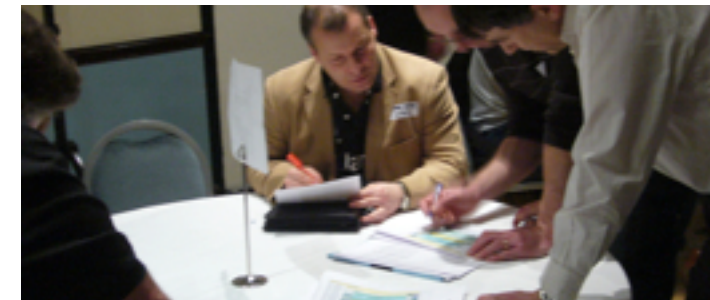

The annual fixture extravaganza is a time for club representatives, fixture secretaries and old friends to meet up at England's headquarters of Rugby. This event, organised by Keith Norman, has been running for 28 years, and we believe it is a major contributor

to future generations of rugby players who will wear an England shirt.

This year will be a superb event with clubs from all over the south of England coming together to arrange fixtures for the coming season. In addition, the RFU will be providing unique opportunities to catch up on the latest developments in coaching and refereeing - essential to every game and for every club.

With workshops on the latest techniques, information on the core values of the RFU and the chance of meeting well known and famous rugby heroes, the event promises to be a great night. We will also be raising money for the very worthy 'Help for Heroes'.

Urgent Request!

We are looking for people to help us develop and run the extravaganza event each year. Please come and talk to us if you want to volunteer, or know someone who can join us in keeping this event running. We need people who can attend two short meetings with the RFU each year, and give time on the night to help organise and run the event. If you know of someone who can help, tell them to contact hal@fixex.com, or keith@fixex.com

We are extremely grateful to the RFU for their continued support in making this event possible. Through their kind involvement we are able to use the facilities at Twickenham, and enjoy the hospitality services. We are additionally grateful for the involvement of RFU representatives running seminars and workshops, and for the kind donation of leaflets and information items for each attendee at the event.
